
STEVEN GARRITY • WINDOW MANAGER

SKILLS

- Window management
- Updating Zoom
- Closing tabs
- Intermedia tab management
- Advanced tab management
- Muting / unmuting
- Rebooting
- “Threebooting”

Profile

I’ve been sitting in front of computers, often using them, occasionally for business purposes, for thirteens of years. I could sit in front of a computer for *your* business purposes.

Experience

Remote Window Manager — 2019–2021

Pivoted to remote window management, managing Zoom screen sharing controls

Window Manager — 2016–2018

Managed applications windows across both macOS and Microsoft Windows platforms

Education

Printing in Computer Labs, UPEI - 2000

Printed several university papers to a shared printer in a computer lab, and subsequently found which printer my paper came out of with a 80% success rate

Skills

Command-tabbing, full-screen view, maximizing and minimizing windows, scrolling (vertical and horizontal), right clicking on single-button devices
